## Powersoft goes to church

Germany: ThinkAbele has supplied the A/V-installation to the new house of worship of the "Bibliche Glaubensgemeinschaft" in Stuttgart. The venue offers approx. 2500 seats and is equipped with Concert Audio loudspeakers and Powersoft DIGAM amplifiers. More than 10 units, mainly DIGAM 7000 (a 2-channel unit delivering up to 2 x 3.500 Watts) and DIGAM Q4004 (a 4-channel unit with up to 4 x 1.000 Watts) are powering the sophisticated loudspeaker system. Live music is an integral and important part of the public worship and ThinkAbele in cooperation with the owner-builder selected Powersoft's DIGAM technology for their combination of outstanding power capabilities, audio quality and efficiency.
