Powersoft in Orlando

Florida: Specialising in the design and installation of quality dance audio system, Custom Made Systems inc, located in Ft Lauderdale FL USA, has installed the a full sound system with Powersoft digital amps and Mach speakers in Orlando at ClubParis discoteque.

The ClubParis is the Orlando's coolest and most succesful dance venue. Mr Fred Khalilian, Hilton's local partner, mission is to bring the very best of dance music and vibes to the City via the ClubParis.

This question of excellence, and the desire to create a sonic perfection for both their audiences and Djs led Khalilian to look at options for a high quality sound and light Company.

After careful research Mr Khalilian approached Martin Professional Inc, whose reputation among dance clubs is unsurpassed, and was put in touch with Joseph Madonia from Custom Made System, the local Martin installer.

The ClubParis system based on 6 x D1502, 6 x D3002, 8 x D4002, 2 x Q4004, 1 x Q3204, 1 x Q4002, 1 x Q3002 and 1 x DIGAM5000 together with Mach speaker: M12T, M151i, M181T, M218T and the speakers controller M20.60.

Mr Madonia commented: "It's great working with Mr Chesal from Martin Pro for his enthusiasm"
