

**Powersoft in the return of Soda Stereo**

After 10 years of their last show Soda Stereo came back with the first mega show at River Plate Stadium of Buenos Aires with an audience of 180.000 people during the days 19, 20 & 21st of October. These Shows were the first of a tour in different cities of Argentina & Latin America.

The Sound reinforcement was carry out by the company Buenos Aires Live show (BALS) with its system JBL Vertec VT4889 / 4887 using amplifiers Powersoft K Series.
