Carlo and Claudio Lastrucci had the chance to visit together with Tom Bensen of Powersoft USA **Big Mo Production** in NJ during their last trip in the States a few weeks ago.

The company has four principal partners – Greg Rosenkrans, Glenn Radler, Jesse Hofflinger, and Tim Coyle. Big Mo was founded four years ago and have their headquarters in Parsippany, NJ.

BMP was one of the very first US companies to purchase K Series and have become an important and strategic partner to our efforts in the USA.

**They currently own over 40 assorted Powersoft amplifiers – Q Series, K Series, and most recently, they have begun to purchase K DSP Series.**

**They have an impressive roster of clients, including Fortune 500 companies such as: Microsoft, Mercedes Benz.**

In addition, BMP provides full production for many high profile special events.

Most recently, Powersoft amps were featured in the hip-hop industry's annual gala, "The Jam Awards Show", at NYC's Hammerstein Ballroom.

**"Powersoft amps have proven to be one of the**

**most reliable products we own", said Greg Rosenkrans, Big Mo CEO. "They have never let us down. Plus we are so happy with their compact profile. Using Powersoft K and Q Series amps has cut down the size of our rigs dramatically. Plus, they really sound fantastic!", he added.**
